Геометрические фигуры

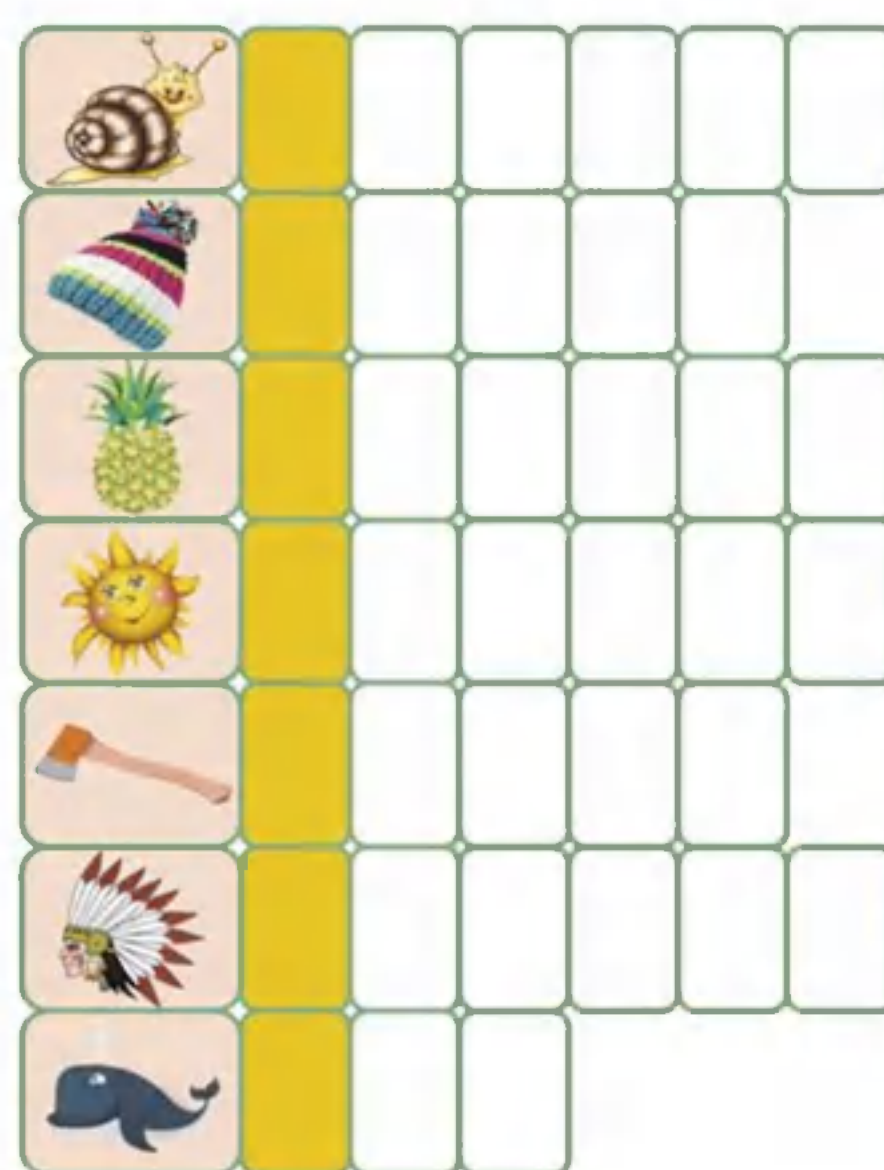

Впиши в кроссворд названия геометрических фигур, обращая внимание на буквы-подсказки.

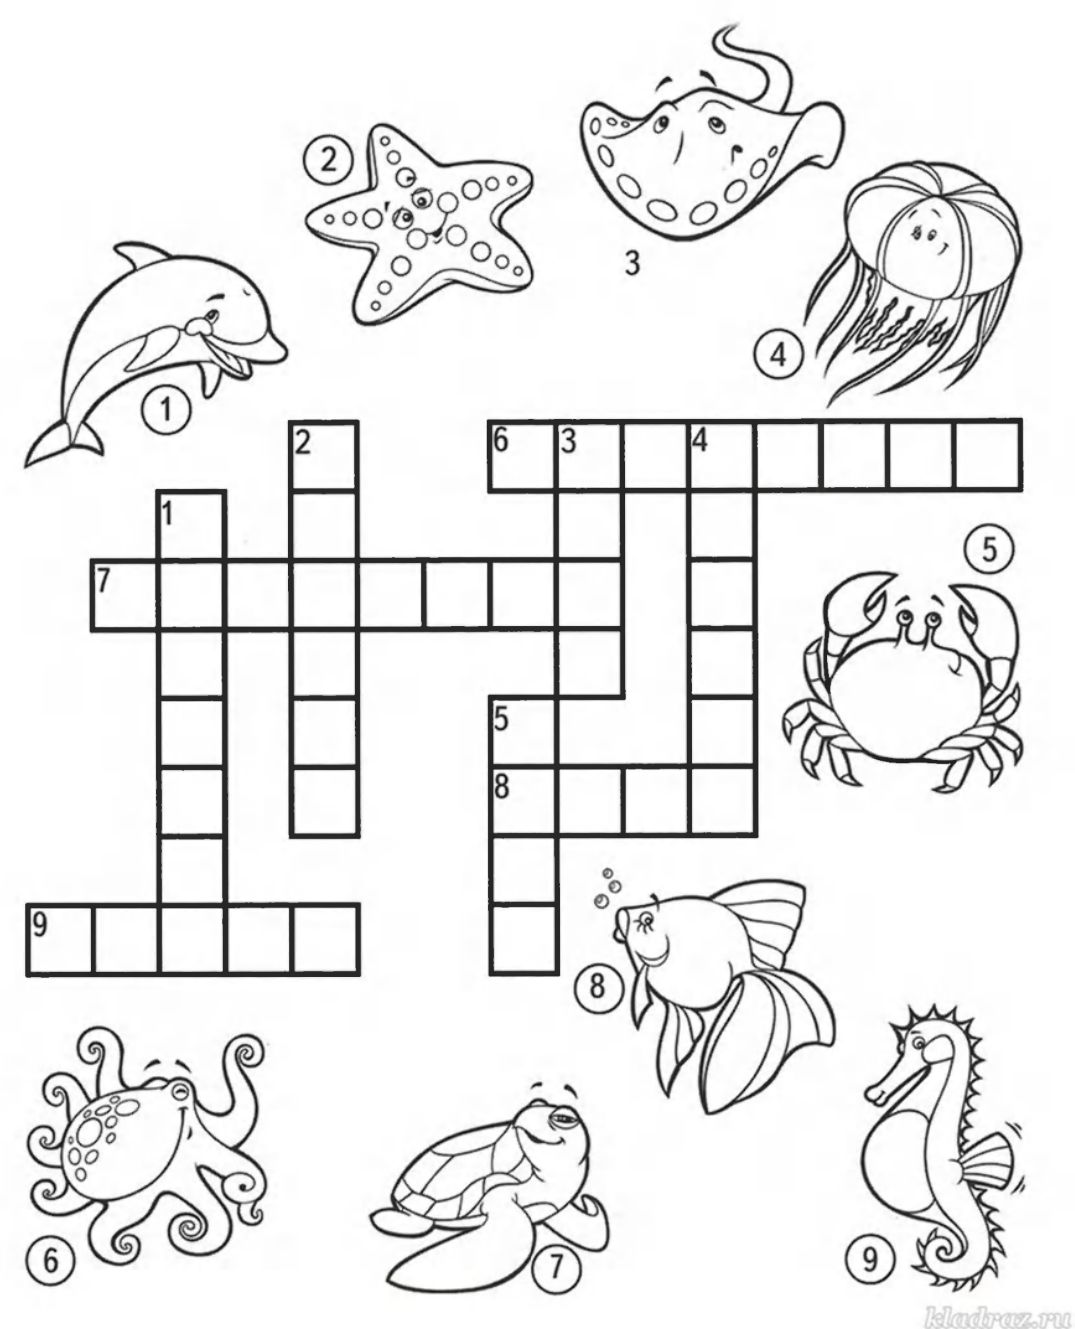

A crossword puzzle grid is shown with 6 numbered squares indicating starting points for words. The grid is composed of white squares for letters and black squares for empty space. The numbered squares are:

- 1: Top row, first square.
- 2: Second row, second square.
- 3: Third row, first square.
- 4: Fourth row, first square.
- 5: Fifth row, fourth square.
- 6: Sixth row, first square.
